Digital copies of documents proving formal academic degrees (PhD) and/or other scientific and professional qualifications;

PhD thesis abstract;

Research statement (max 1000 words);

2 letters of recommendation should be sent directly to the same address by the person providing the reference

The selection of candidates will be based upon scientific merit (60 %), proximity of the research subject of the candidate to the topics developed in the Group of Mathematical Physics and research statement (30%), letters of recommendation (10%).

For any further information please e-mail Professor Jean-Claude Zambrini, jczambrini@fc.ul.pt

Note 1: The documents that prove the entitlement of the academic qualifications and diplomas, or the proof of registration in the academic degree or diploma requested on the call, can be dismissed during the application period and replaced by a declaration on their honour from the applicant. Their delivery is mandatory during the fellowship contractualization.

Note 2: Please note that higher education degrees and diplomas awarded by foreign higher education institutions need to be recognized by a Portuguese higher education institution, pursuant to the Decree-Law nr. 66/2018 (August 16) and the Ministerial Order nr. 33/2019 (January 25). The presentation of the recognition certificate is mandatory for contract signature. More information can be obtained at: <https://www.dges.gov.pt/en/pagina/degree-anddiploma-recognition>.
